Career Objective

Passionate Frontend Developer with a keen interest in expanding into fullstack development.

Professional Skills

Frontend : HTML, CSS, JavaScript, TypeScript, React JS, Next JS, Svelte JS

Backend : Node JS, Spring Boot

Database : SQL, NoSQL

Version Control : Git

Education and Trainings

- Bachelor in Computer Application (BCA): 6th Semester
Prime College, Nayabazar, Kathmandu
- 6 Days bootcamp on "Python with AI" at Prime College

Work Experience

- Lanceme Up
Junior Frontend Developer Feb 2024 - April2024
Internship Frontend Developer Nov 2023 - Jan 2024

Project Contribution

- Lancemeup: A project management platform built with Next.js as the frontend and Nest.js as the backend. Enhanced user experience by creating loading pages, integrating a PDF converter, implementing DriverJS tutorials, adding shortcut keys, adding features in calendar widget, developing admin pages for user and customer management.
